100% Pinot Noir
from
Steep Slope
terraced vineyards

Not until 1988 was the planting of red grapes permitted by law in the Mosel appellation. The wine shows distinct red fruit characteristics underlined with fine slate minerality. No oak ageing lets the wine focus on fruit and terroir. Fabulous with delicate yet flavorful meat dishes such as pork and venison.

Von Schleinitz, a top winery in their appellation, the lower Mosel valley, provides award winning wines at value prices. All hand work!

Steep terraces, creating an important beneficial micro-climate, make the use of any machinery impossible.
